### Description

Experience a refreshing vitality with our infusion "Joy." Created for those seeking a revitalizing beverage, Joy is an extraordinary infusion that can be easily prepared without the use of hot water. Basta versare acqua fredda su Gioia per ottenere un infuso ricco di qualità e aromi, assaporando la freschezza in ogni sorso.

In addition to the delightful melon aroma, it offers wellness benefits with pineapple's diuretic and anti-inflammatory power, hibiscus and lemongrass with antioxidant action.

The name "Joy" draws inspiration from Forio, where life is joyful, and people gather in squares, cafes, and restaurants. In this lively location, music accompanies evenings and spectacular sunsets seen from the Soccorso square.

Add a touch of Joy to your day with this unique and versatile infusion.  
Joy is a herbal infusion suitable for children.
