Description

An anti-cellulite remedy thanks to the synergy between thermal water, mud and functional substances used in the formula. Active

principles: **Fucus, pelvetia canaliculata extracts, horse chestnut extracts, lemon extracts, mix of essential oils (orange, juniper)**. How to use: Mix the product directly into the bag, spread a thin layer on the interested parts, with a light rotary massage. Leave on for about 10 minutes and then remove the product using the shower.
