Lemon and Vitamin C Elasticizing Fluid Cream

[Ask a question about this product](#)

Manufacturer [Ischia Le Terme della Bellezza](#)

Description

The presence in formula of **lemon** and **orange**, rich in **C vitamin**", have an intense elasticizing effect and guarantee the reconstitution of collagen structures. **Hop** and **horsetail**, rich in phytosterols, revitalize asphyxiated skin, tone skin tissues and firm the dermal structure. In addition, the presence of **sweet almond oil**, with a high soothing and film-forming power, provides an excellent moisturizing action.

Units in box: bottiglia
