Description

Cashmere anti-aging cream, hydrating and regenerating, which thanks to cashmere proteins, makes the skin smoother, soft as silk and deeply nourished. The precious properties of Rosehip, Avocado and Palm oils strengthen the action of rice proteins and amino acids, to guarantee the skin a deep regenerating effect providing, among other things, an intense smoothing action. Magnesium, Hyaluronic Acid and Sichuan Pepper reduce wrinkles, hydrate the skin from the inside, strengthen its elasticity and perform an immediately perceptible lifting action. The skin, revitalized, nourished and hydrated, becomes softer, tighter, satiny and luminous day by day
